Mrs. Mary C. Cochenour, Mr. Bruno Kmieciak, Mr. Frank Stoner, Mr. Dwight Brown, Mr. George Davis, Mr. Fred Eberharter, Mr. Robert Swank, Mr. Alvin Stoner.

It gives me great pleasure to congratulate the Southmoreland "Class of 1976." You have reached that important goal — graduation from Southmoreland High School. Your parents and teachers have provided you with the basics for your lives, and it now becomes your choice. For some it will be a new job, others a college education or vocational training. Carry with you the desire to do your best and remember that you are special people to us. I am proud of all of you for the many contributions you have made to the Southmoreland School.

Good Luck and God Speed.

Graduates — the 1976 Legend could become a highly prized personal possession. It may be the last issue from the present high school building, which has so many fond memories for the residents of the Southmoreland Community.

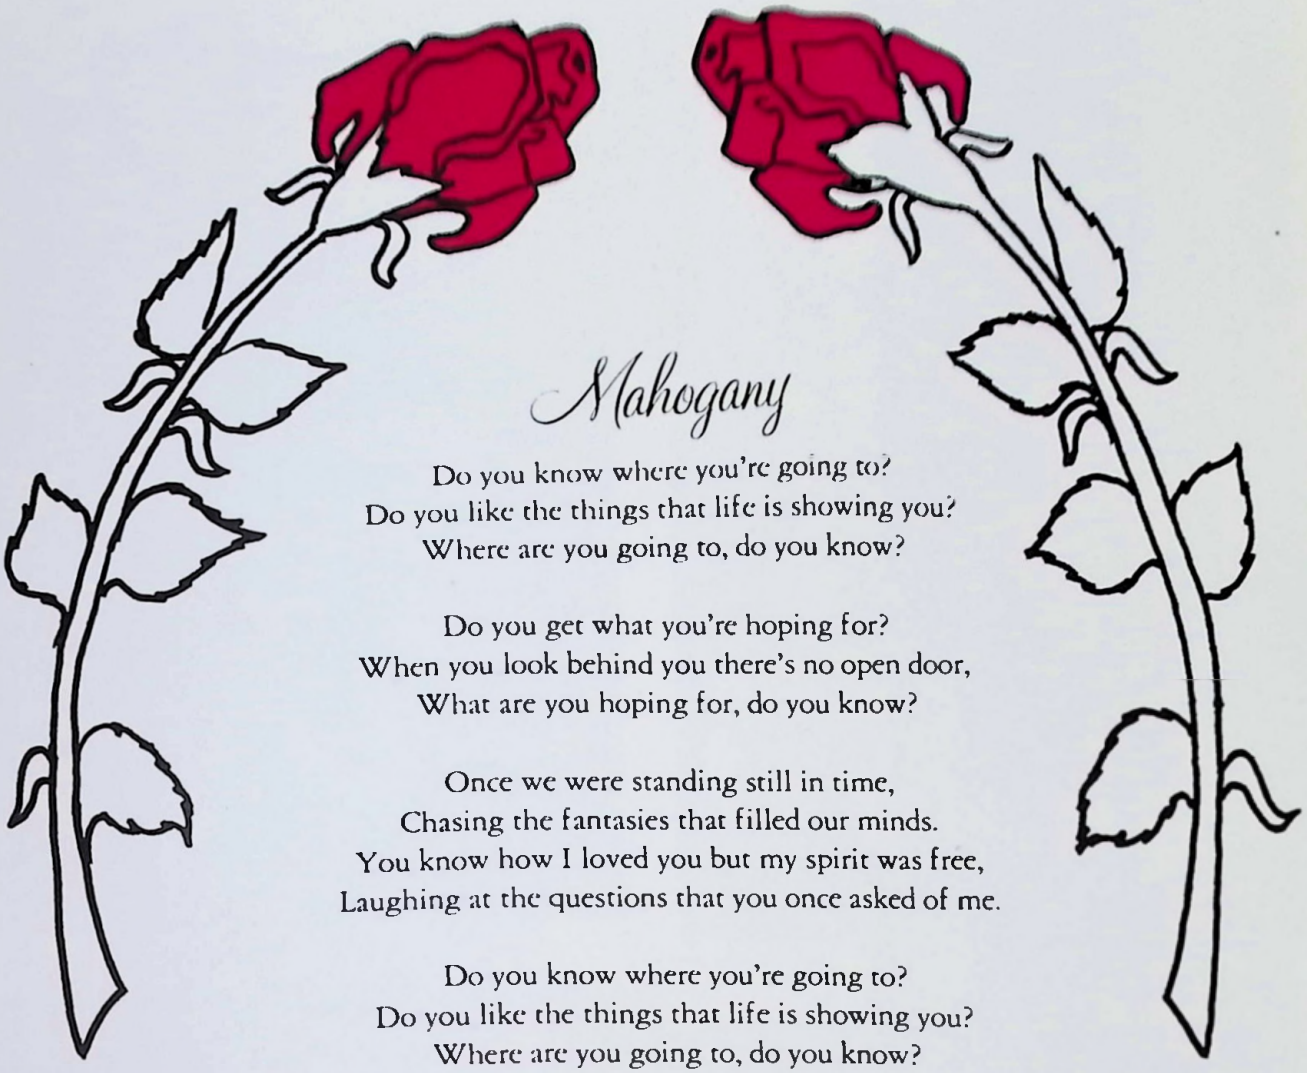
Alma Mater

Hail Southmoreland,
The school we love; We have strived to honor you;
Our hopes, our victories, that we treasure you,
In our hearts will still be new.

Our banner red and black
We proudly raise forever symbolizing
High school days, O Alma Mater, Alma Mater
Proudly we will sing your praise.

All hail Southmoreland
The school we love,
May our chorus always be,
A song which never will cease
To ring of eternal loyalty.

"I am not
For I have seen



Mahogany

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Do you get what you're hoping for?
When you look behind you there's no open door,
What are you hoping for, do you know?

Once we were standing still in time,
Chasing the fantasies that filled our minds.
You know how I loved you but my spirit was free,
Laughing at the questions that you once asked of me.

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Now looking back at all we planned,
We let so many dreams just slip through our hands.
Why must we wait so long before we see,
How sad the answers to those questions can be.

Do you know where you're going to?
Do you like the things that life is showing you,
Do you know?

afraid of tomorrow
yesterday and love today"

Ken Newcomer

Ken's success as a wrestler is shown by his tremendous desire to compete and win. His wrestling career began in Junior High School where he captured a section title and became Southmoreland's first and only State Junior wrestling champion. His career continued on to the Senior High level where Ken met his first road block by being eliminated from a varsity position. But this obstacle only increased Ken's desire. He went on to not only make the varsity squad but to win two section titles, place 4th in the W.P.I.A.L. two years and climaxed his brilliant High School career by placing 4th in the State meet. Ken also became Southmoreland's first representative in the old newsboy's wrestling classic. Ken finished his high school career with a 48-12-1 record to go along with 28 career pins — A school record. Congratulations to Ken for his fine wrestling ability and dedication to the sport of wrestling.
